Time to live the life!

Hampton

12' x 24'
NBS Oval Shown

Savor the moment.

You work hard. You've earned the chance to relax and savor those quiet moments. Share them with your family and close friends in a new Aquarian **HAMPTON** pool. Close your eyes and you'll feel like you're drifting, caressed by the gentle waves off the Hamptons.

Lasting style and value for your backyard.

A **HAMPTON** pool adds timeless beauty to your yard. Bristol walls add a sophisticated touch and color co-ordinated Mist upright columns and top ledges blend with nearly any landscape to provide a natural, comforting scene. And this new Aquarian **HAMPTON** pool remains beautiful year after year, while it enhances the value of your property.

A lifetime of timeless beauty and fun.

Our **HAMPTON** pool is constructed to withstand the seasons and all they bring. Our legendary 9" resin ledge resists weather, water and wear. Durable 6" upright columns with unique interlocking resin caps, and resin foot collars provide strength, support and style. The columns are galvanized and finished with a liquid resin coating for years of lasting beauty and quality. With heavy-duty resin tracks, oversized connectors and oversized fasteners you have a pool to last a lifetime of summers.

Years of easy maintenance

A **HAMPTON** oval pool is engineered for long life, easy care and more useable yard space. That brings the ultimate in style to your yard, in a fun, flexible shape. Available with traditional angle bracing or a space-saving no brace system (NBS). Your **HAMPTON** pool installs easily. Ledges, caps and posts fit snug and secure. Lifetime warranty on all resin components. Skimmer and return outlets come pre-punched.

Do it yourself installation

If you're handy with a screwdriver, then you can easily assemble your own **AQUARIAN** pool. We've designed each pool to make installation problem-free—no multi-sized washers or nuts to worry about. Just one large screw type is used to assemble the entire pool and we provide easy to follow instructions, plus a video.

Ledge, cap and post designed for a secure fit
