NBS Oval Shown

## Bask in luxury.

Live the life of luxury and relaxation. Share it with your family and close friends in a new Aquarian **MONACO** pool. You'll feel like you're basking on the beaches of the French Riviera. Slip into your pool to cool off, to frolic with the kids or just have a quiet moment with your mate.

## Timeless styling.

Your **MONACO** pool brings a timeless touch to enhance your landscape. Stunning Grey Athena wall pattern adds sophistication and beauty. Color co-ordinated Mist upright columns and top ledges complement the whole package. And this Aquarian **MONACO** pool holds its beauty, like a classic sculpture, for years to come.

## We feature lasting fun and beauty.

Our **MONACO** pool stands the tests of time and the elements. Our solid 9" resin coated ledge resists weather, water and wear. Durable 6" upright columns with unique interlocking resin caps, and resin foot collars give the pool strength, support and style. The hot-dipped galvanized steel frame with liquid resin coating provides years of lasting beauty and quality. With heavy-duty tracks, oversized connectors and oversized fasteners your pool will last for years to come.

## Years of easy maintenance

Select a **MONACO** oval pool for long life, easy care and more useable yard space. It brings the ultimate in style to your yard, in a fun, flexible shape. Available with traditional angle bracing or a space-saving no brace system (NBS). Your **MONACO** pool installs easily. Ledges, caps and posts fit snug and secure. Skimmer and return outlets come pre-punched.

## Do it yourself installation

If you're handy with a screwdriver, then you can easily assemble your own **AQUARIAN** pool. We've designed each pool to make installation problem-free—no multi-sized washers or nuts to worry about. Just one large screw type is used to assemble the entire pool and we provide easy to follow instructions, plus a video.

One piece resin foot collar

Ledge, cap and post designed for a secure fit

Heavy-duty angle brace system
