Sigma style at great value.

A new Aquarian **SIGMA** pool turns your backyard into a summer long resort. It's family fun, every weekend without breaking the family budget. So relax. Cool off. It's pool parties, picnics and a place the whole family can enjoy.

Graceful lines for backyard beauty.

This **SIGMA** pool brings a resort style look and feel to your yard. Pewter liquid vinyl coated posts and top ledges complement a stunning beach and marine Blue/Grey Venetian wall pattern. It blends grace with stylish fun.

Fun for years to come.

Our **SIGMA** pool includes engineering features to keep your backyard resort running smoothly and your kids happy. Our sturdy 7" steel ledge adds strength while it resists weather, water and wear. Durable 6" upright posts with unique interlocking resin caps, and resin foot collars give the whole package strength, support and style. Hot-dipped galvanized steel frame, space-age polyester finish and liquid vinyl coating provide years of lasting beauty and quality. Heavy-duty tracks, oversized connectors and oversized fasteners add strength to keep your pool the family favorite for summers to come.

*Choose an oval **SIGMA** pool for more fun, more useable yard space. It's the ultimate blend of style and affordability, in a fun, flexible shape.*

Easy to own. Easy to maintain.

Your **SIGMA** pool installs easily. Ledges, caps and posts fit snug and secure. Skimmer and return outlets come pre-punched. And your Aquarian Sigma pool professional will make sure your pool package stays easy to clean and maintain, year after year.

One piece resin foot collar

Ledge, cap and post designed for a secure fit

Heavy-duty angle brace system
